positions available

FIRE CHIEF — Salary range $1,417 — $1,562 plus comprehensive fringe benefits. Progressive community of 8,000 with 30 active volunteers. New station under construction. Responsible for all areas of municipal fire protection as well as new MICU program. Administrative experience required. Some college training desirable. Council-manager form of government. Equal Opportunity Employer. Closing date December 31, 1975.

To receive an application, send resume to:

Mr. Robert W. Toone, Jr.
Village Manager
4045 W. Sauk Trail
Richton Park, Illinois 60471

Columbia College, Columbia, Mo., seeks instructor to support its Fire Science Program. Position available Jan. 1976. Applicants should hold associate degree in Fire Technology or Fire Science and baccalaureate degree in Public or Industrial Safety. Advanced degree in related field preferred. Send letter of application and all credentials to Donald L. Foster, Dean of Extended Studies, Columbia College, Columbia, Mo. 65201. An affirmative action/equal opportunity employer. Women and minorities are encouraged to apply.

FIRE MARSHAL

The Village of Winnetka, Illinois, a Chicago suburban community of 14,000, is seeking a qualified Fire Marshal to direct and supervise a Fire Department of 22 paid, full time, Fire Fighters. Comprehensive knowledge of modern fire fighting practices and equipment, emergency medical systems, fire prevention methods, and administrative and management experience required. An Associate Degree in Public Safety Administration or Fire Engineering and 5 years in a responsible command position is preferred. Salary is $20,000 plus, depending on qualifications. Excellent fringe benefits. Send resume and letter of application to:

Robert A. Buechner, Village Manager
510 Green Bay Road
Winnetka, Illinois 60093

FIRE CHIEF. Lawton, Oklahoma, population 80,000. Council-Manager government. Salary $13,344 — $16,212. Department of 103 uniformed personnel. Requires at least five years of progressively responsible command fire service experience. Bachelor's Degree in an appropriate field preferred. Send resume and references to **John R. Thomson, City Manager, 103 South Fourth Street, Lawton, Oklahoma 73501. Applications close December 20, 1975.**

FIRE CHIEF
City of Alexandria, Virginia

Salary: $21,444 — $30,171 per year depending on qualifications.

Eight stations, total personnel — 191, budget — $4 million. Population — 113,000.

Position requires abilities in: leadership; budgeting; labor relations; training and development of subordinates; organizational development and interpersonal communications; analytical skills; command; creativity and innovation; as well as the ability to get results. Wide knowledge of modern fire service needed. Requires three years' experience at battalion chief level or above. Two years of college may be substituted for one year at the battalion chief level.

Send resumes to City Manager, Room 100, City Hall, Alexandria, Virginia 22314 by December 22, 1975.
